Anti-American Feeling Is Increasing in Britain and France

REPORT SAYS MALENKOV IS IN BUDAPEST

Budapest (AP)—Former Soviet Premier Georgi Malenkov was reliably reported today to be in Budapest to bolster the government of Russian-installed Premier János Kádár.

An excellent source, who asked not to be quoted by name, said Malenkov, now a deputy Soviet premier, arrived in the Hungarian capital, Nov. 23.

This source said it was Malenkov who advised Kádár to change his lenient attitude and resort to harsh measures against still striking Hungarian workers.

This was the explanation given for Kádár's two sharp speeches broadcast Sunday and Monday in which he reversed his former conciliatory attitude in conferences with leaders of the workers' council of Greater Budapest.

Although Kádár has stated explicitly that he will add only "non-partisans" to his presently 100 per cent Communist government, he conferred yesterday for three hours with Bela Kovacs, secretary general of the Smallholders party.

Kovacs, who spent more than seven years in Russian prisons and is probably the only person the Hungarian peasantry would accept as their leader, had been a minister of state in Imre Nagy's short-lived government which the Russians overthrew.

What Kádár discussed with Kovacs could not be learned.

Although Malenkov is a deputy premier of the Soviet Union, his exact position in the present Kremlin hierarchy is not certain. Named to succeed Stalin, he was deposed after he had sought to shift policies in the direction of more consumer goods and comforts for the Russian people.

Frigid Blast Hits Most Sections of Nation Report Says

By The Associated Press
The cold air in the Eastern section of the country dipped into the Southland today and a fresh blast of icy air and strong winds moved into northern Midwest areas.

The chilly weather extended from the lower Great Lakes to Alabama and eastward to the Atlantic Coast. Temperatures were generally in the 20s in most of the areas except along the coast where they were in the 30s and in southern Florida, which reported readings in the 40s.

The readings in the Eastern and Southern areas were about 8 degrees lower than yesterday morning. Snow flurries fell in areas from New York southward through West Virginia.

Generally clear skies, with little change in temperatures, were forecast for the Western third of the country except for freezing drizzle in sections of northern Idaho.

Fund Drive To Help Stokes To Rehabilitation Reaches \$1,380

Ed Stokes, through the generosity of many, many friends has taken a \$1,380 stride along the road to Rehabilitation. Can you help him further?

The Times-Mirror fund campaign to help the 39-year-old man who lost both his arms in a power saw accident October 28th crossed the \$1,000 mark early this week.

Ed and Mabel Stokes will be able to use all that and more by the time expensive mechanical arms have been fitted and the victim of the tragic accident is once again able to use his severed limbs. Ed was a crane operator with a deft touch when the loss occurred.

Several office staffs have begun to help the Stokes. At the Register and Recorder's office in the Court House \$35 was contributed. New Process Company Departments have already donated \$59. Another \$2 was sent from Jack Pedersen now with the United States Navy. The many other friends of Ed and Mabel who have come for-

Optometrist Advises Hunters Wear Yellow

Pittsburgh (AP)—What color hunting clothes should a person wear to avoid being shot in mistake for game?

Yellow is best, says Dr. I. J. Suttin, president of the Pittsburgh Optometric Society.

Orange is second best, said Suttin and green or plaids would be next best. Red and blue, he said, are the worst.

Hunters with normal vision have trouble distinguishing red from the reddish-brown foliage of autumn, he explained, adding that color-blind hunters have been more difficult.

This source said it was Malenkov who advised Kádár to change his lenient attitude and resort to harsh measures against still striking Hungarian workers.

FOUR BILLIONS TO CONTINUE FOREIGN AID

By JOHN SOALI

Washington (AP)—The Eisenhower administration is tentatively planning to ask Congress for slightly more than four billion dollars to continue foreign aid for a 10th straight year.

Such a sum would boost to more than 50 billion dollars the amount of money the United States has granted for food, raw materials, weapons and technical assistance to more than 40 nations since the Marshall plan was launched in 1948.

The new program, now being drafted by officials, would cover the fiscal year beginning next July 1.

President Eisenhower, who may officially disclose its size in his budget message in January, still must give final approval to the sum tentatively agreed upon.

The State and Defense Departments and the International Cooperation Administration, which operates agreed on a figure of slightly more than four billion dollars and have submitted it to the Budget Bureau, an arm of the White House.

The sum is about 900 million dollars less than the administration sought from Congress this year. Congress cut about a billion dollars from the administration program, voting \$3,766,000,000.

Officials said the sum to be asked in new money would make it possible to maintain spending for both economic and military aid at current levels. This spending now totals about \$4,200,000,000 annually—\$2,700,000,000 of it for military aid.

One big unresolved question at present, informants said, is what to do about foreign aid to the war-torn Middle East. Economic aid programs have been suspended for Egypt, Israel, Jordan and Syria.

GOVERNOR TO WED

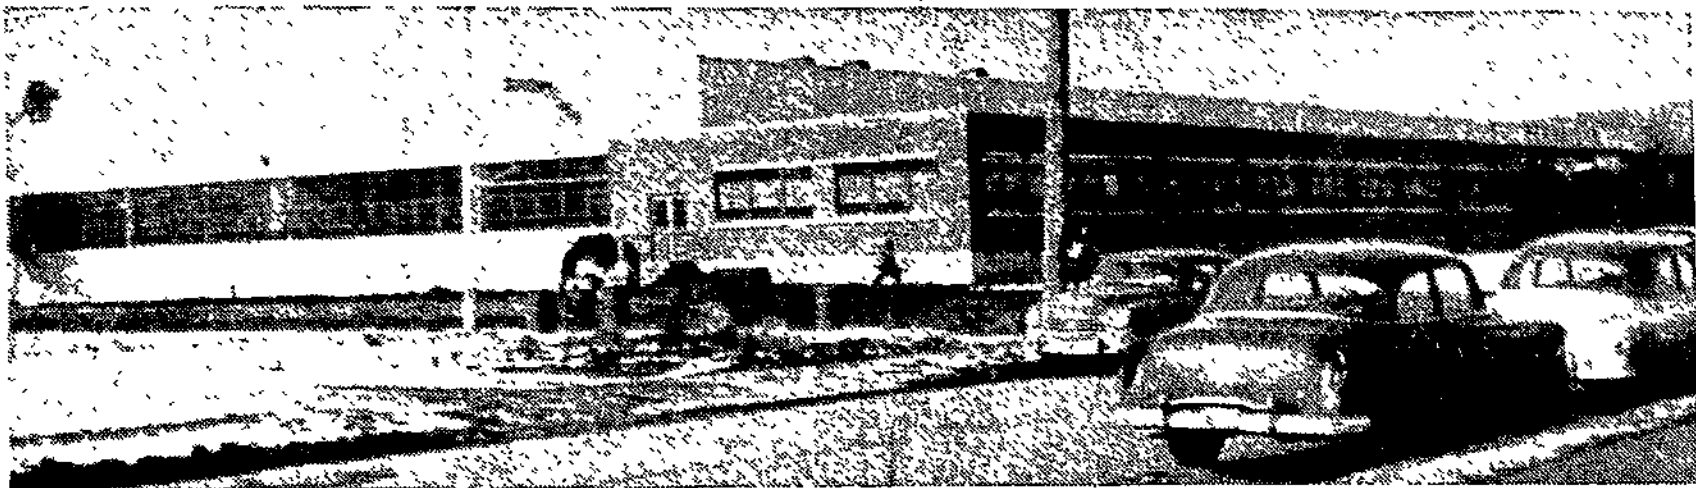

Oberlin, Ohio (AP)—New Jersey Governor Robert E. Meyner and Miss Helen Day Stevenson of Oberlin will be married at a "small family wedding" there January 19, her mother said last night. Miss Stevenson's father, William E. Stevenson, is president of Oberlin College. Mrs. Stevenson said the wedding will take place in the First Congregational Church of Oberlin followed by a reception in the Stevenson home.

ward to help the family in its hour of need are:

New Process Company, Speedomat and Addressing Department, \$19; Mailing and Addressograph Department, 3rd Floor, \$40; Mr. and Mrs. Meritt Briggs, 5 Kenmore street, \$10; from the Recorder's office, Guney Ball, \$35; Jane Grace, \$5; Anna Bick, \$5; Etta Gustafson, \$5; Kathryn Rogers, \$1; Anonymous, Clarence Peterson, \$10; Frank Street, \$5; Mr. and Mrs. Carl Lindborg, Youngsville, \$10; a joint donation of \$25 from Mr. and Mrs. William F. Franklin, Mrs. Hazel M. Mangini and Mrs. Laura Sweetland; Anonymous, \$5; "A Samaritan" \$25; Mr. and Mrs. Melvin Smith, \$5; R. M. Freeborough, \$5; Margaret Horan, \$5; Mr. and Mrs. E. T. Johnson, \$5; Cash, \$5; Mrs. Albert Schuman, \$5; Mr. and Mrs. J. A. Reed, \$10; Joseph DeMarco, 814 Penn'a Ave., E., \$10; Jack Pedersen, \$2.

Any cash or checks made payable to ED STOKES FUND may be sent to Times-Mirror.

Open House Planned for New Sylvania Plant

An opportunity for residents of this vicinity to visit the most up to date plastics plant in the world will be offered next spring when Sylvania Electric Products Company holds Open

House at its new structure on Lexington Avenue. The plant, 330 feet long and 300 feet wide, went into full scale operation last week. Timesphoto by Saylor.

More Snow is Forecast For The Lake Erie Area

Pittsburgh (AP)—Henry Rockwood, chief forecaster for the U. S. Weather Bureau here, said today possibly heavy snow squalls may occur tonight and tomorrow in the Erie area—only just returning to normal after a two-foot snowfall on Thanksgiving.

Rockwood said he "wouldn't be surprised" if Erie had four or five inches of fresh snow tomorrow, but declined to make a flat forecast of any amount.

Plans in progress indicate that the fourth annual Auto Show will attract record crowd of people anxious to view the latest advances in automobile engineering and design.

Sponsored by the 40 at 8 of The American Legion, the big event promises a spectacular presentation of what's new on wheels and additional features are planned to make the dates of great importance to the area and community visitors.

To date, just about every automobile dealer has contracted to display 1957 cars at Beatty Cafeteria, making it possible for everyone to see each new model on one floor.

More than just a show, the affair eventually benefits veterans at the State Hospital and children at the Hoffman Home who are never forgotten by 40 at 8 members.

The auto show opens on Friday, December 7 with Saturday, December 8 also set aside for the streamlined program.

Conewango Township Peace Justice Fred Berry yesterday meted out a six-months sentence in Allegheny County Workhouse to a North Warren man who pleaded guilty to an assault and battery charge.

Andrew M. Brooks, 48, of 13 Main street, North Warren, was arrested at his home Monday night by Conewango Township police officers after the complaint had been filed.

The heavy sentencing climaxed a series of assault and battery charges which had been filed against Brooks and then dropped before prosecution.

FIRE AT MUNHALL
Pittsburgh (AP)—Fire roared through a three-story brick rooming house in nearby Munhall today, killing an Ohio construction worker. One other roomer was overcome by smoke. Earl Mayhugh, about 40, of Yorkville, Ohio, perished in the blaze.

Three Simple Rules Suggested For Safe Mailing and Delivery Of Those Christmas Packages

Pointing up the need for your cooperation in the Mail Early for Christmas Campaign he is conducting in behalf of all post offices in Warren County, Postmaster B. S. Knabenshue says if you will follow these three simple rules all of your gifts can be delivered before Christmas: "Wrap Them Securely, Address Them Correctly," and "Mail Them Early." Amplifying these rules the Postmaster said, "Avoid the risk of mailing poorly wrapped packages. Use strong wrapping paper and be sure every package is tied with several cord. Cartons containing strong gift packages should be stuffed with tissue or old newspapers to cushion the shocks. Incidentally pop-corn (popped, of course, and unseasoned) makes one of the finest cushioning materials we know." He also reminds us that size and weight limitations for Parcel Post packages vary according to place of mailing and destination, and advises us to secure Pamphlet No. 2 at the Post Office telling all about Packaging and Wrapping for Mailing, and Pamphlet No. 3 giving complete details on Postage Rates and Fees.

Speaking about correct addressing of Christmas gifts and cards the Postmaster said, "Be sure your mailing list is up to date and that you have the complete name, address, zone number, city and state for each one on the list. Zone directories of all the larger cities are available for re-

ference in the Post Office Lobby, at the Chamber of Commerce and at the Warren County Motor Club. Also, send all your Christmas cards by First Class mail because they will be processed and delivered quicker and they'll be forwarded or returned if undeliverable. Third Class (2c) cards if undeliverable are simply destroyed and they are processed after First Class mail is "cleaned up," and only cards sent First Class may contain written messages. Bear in mind too that Christmas Card envelopes smaller than 2 1/2" by 4" or larger than 9" by 12" must carry First Class postage. In fact the use of either very small or very large cards is discouraged as they are easily lost or damaged in handling.

The Postmaster urges everyone to use the free labels marked "All for Local Delivery" and "All for Out of Town Delivery" being distributed by carriers and to all box holders, or available at your post office. Sort your Christmas Cards accordingly, tie them in separate bundles with each address facing the same way and attach the correct label to each bundle. If you do mail any "2c" cards bundle them separately as they will be deposited in separate hampers at the post office.

Early mailing of Christmas gifts and cards is the biggest factor in getting everything delivered before Christmas, according to the Postmaster. "The whole Christmas mailing period is a battle against time," he says, and "Delays now in getting your cards and packages to the Post Office may cause a slow-up all along the line. Then there's always the danger that commercial shipments and incoming Christmas mail will interfere with the outgoing operations. For this reason we strongly recommend the use of 'Special Handling' service on all Christmas packages so they won't go through congested terminals."

In conclusion the Postmaster advised that Christmas gifts and cards for distant points be mailed this week if possible and certainly not after December 10th. Packages for local delivery should be mailed by December 17th and all Christmas cards for nearby destinations by at least a week before Christmas.

FOLLOW ALLEY OOP In His Arabian Nights Adventure

The emotional gentleman with the snickersnee is none other than our old friend Alley Oop. The peregrinating cave man finds himself, thanks to the Time Machine, in an Arabian Nights setting and you'll want to follow him in his latest adventure and meet a couple of engaging characters named Abdul Bool Emir and Ivan Skivinski Skivaar.

If you wish to confuse these gents with the characters from a famous old ballad sometimes called Abdullah Bulbul Amir, that's your privilege, but any resemblance is strictly wacky. Turn to the comic page and ALLEY OOP today.

Historical Society To See Slides of Kinzua Valley

At eight o'clock this evening in the large court room of Warren county court house, Richard Morrison, Kinzua, will address the regular meeting of Warren County Historical Society.

Mr. Morrison, lifelong resident of Kinzua, will show part of his fabulous collection of color slides of the Kinzua Valley. The collection, which covers almost every square foot of the land one day to be covered by the reservoir of the Kinzua Dam, includes scenes of natural history and scenic views known to very few. Many of these shots were made by Mr. Morrison in spots accessible only with his "air-sled," the King Richard.

Michael Siegel, president of the Society, says that Dick Morrison claims this flat-bottomed scow powered by an airplane engine needs so little water that it can practically travel across wet grass!

The public is cordially invited to attend what should be a rewarding and interesting evening.

BRADFORD PROJECT
An Associated Press dispatch from Pittsburgh says Elmhurst Contracting Co., Inc., Corona, N. Y. has submitted an unofficial low bid of \$2,103,034 for work on a flood control project on Tunungwant Creek in Bradford. A spokesman for the U. S. Army Corps of Engineers said that before contracts can be let the bids must be submitted to Division Headquarters in Cincinnati since the lowest bid was 20 per cent higher than the government estimate of \$1,763,321.

Progress Being Made in the Driver Education Programs Discussed at Meadville Meet

Impact of Federal highway building program on Pennsylvania motorists and future transportation was outlined yesterday by a speaker at a seminar conducted for new car dealers from the local area.

Addressing the group at a session held at the Eagles Club, in Meadville, Pa., Claude S. Klugh, of Harrisburg, General Manager of the Pennsylvania Automotive Association, reported:

"Under the new Federal highway program now underway in the Commonwealth, the State will receive allocations of \$341,300,000 for highway construction over the next three years. In addition, the State will be expected to contribute approximately \$117,400,000 in matching funds, bringing the total which may be expended for construction for the three year period to \$458,700,000."

He added that the Federal highway program provides for the expenditure of 32 billion, 500 million dollars for road construction within the next 13 years throughout the nation.

E. W. Parkinson, of Harrisburg, Assistant Manager of P. A. A., discussed progress being made in the driver education programs in the State's high schools and the State's system for the inspection of motor vehicles, both of which he declared are "vital to improvement in present and future traffic fatality records on Pennsylvania's highways."

"Driver education in Pennsylvania's high schools is paying off," Parkinson stated. "Studies show reductions of 50 per cent and more in accidents and traffic violations involving the trained young driver compared to the untrained driver in the same age group."

"Pennsylvania's new car dealers feel support of the driver training program in the State's high schools is a vital public service and constitutes an important contribution to traffic safety," he said.

Parkinson reported the State's new car dealers are loaning more than 550 cars valued at a million and a quarter dollars to high schools for the program during the current school term.

Recognizing the tremendous importance of an adequate highway safety program, the group commended Gov. George M. Leader on the appointment of O. D. Shipley as Director of the State Bureau of Highway Safety. Shipley, it was pointed out, is well qualified for the post, having had 16 years' experience in the field of traffic safety.

Also heard at the seminar, one

of 11 similar meetings being conducted throughout the State by P. A. A., was a discussion on all phases of operating an automobile dealership from the management point of view, covering such subjects as operating costs and expense control, all pointing toward more efficient operation of the individual dealership.

BIRTH RECORD

At Maternity
Mr. and Mrs. Edward Allen, 46 Locust street, a son November 27.

In Arizona
Pvt. and Mrs. Fred Schwab, 211 Campstone Rural Section, Sierra Vista, Ariz., are parents of a daughter, named Kathy Lynn and weighing seven pounds and four ounces, born at the Base Hospital at Fort Huachuca at 4:00 a. m. November 27. The mother is the former Joyce Ruhlman of Warren and the baby is a granddaughter for Mr. and Mrs. Emil Schwab and Mr. and Mrs. Virgil Ruhlman, both couples of Pleasant township.

New Services Will Be Inaugurated By Allegheny

Allegheny Airlines will inaugurate its new services between Detroit and cities in the Middle Atlantic Area on December 1, Leslie O. Barnes, president of the company announces.

Initially ten flights daily will operate between Detroit and Erie, continuing through the Erie Gateway to eastern cities including Jamestown, New York, Bradford, Williamsport, Wilkes-Barre, Scranton, Harrisburg and Lancaster, Pennsylvania.

At the present time none of the above points, except Wilkes-Barre, Scranton, has one-plane through services to Detroit.

Eight of the ten flights scheduled by Allegheny between Detroit and the cities in Pennsylvania and New York will operate with 40-passenger Martin Executive aircraft. The remaining two flights will be operated with DC-3's.

Allegheny has established downtown ticket offices in both Erie and Detroit.

Some freight cars on British railways have fifty six wheels carrying loads up to 150 tons.

now! washdays are so easy!

...with a penny-a-load **GAS** dryer

Imagine! No more lugging heavy clothesbaskets. No more stretching to hang wet wash. No more lines, pins or props.

With an automatic Gas Clothes Dryer, washdays are no work at all. You simply put wet wash into your Gas Dryer, turn it on and go about your other household duties—or just relax. In no time at all your speedy Gas Dryer gently tumbles your clothes damp-dry for ironing—or perfectly dry and ready to fold. You get all this for only a penny's worth of gas a load.

Only Gas Clothes Dryers cost less to INSTALL... less to OPERATE... less to MAINTAIN.

See your Gas appliance dealer—today!

Two Weeks Period for Shooting Of Male Deer Opens Monday, December 3, and Closes Dec. 15

Hundreds of thousands of hunters all over the state, and thousands of non-residents too, are readying gear and laying plans for Pennsylvania's 1956 buck deer season.

The season opens at 7 a. m., December 3 and closes at 5 p. m., December 15. Only male deer with two or more points to one antler or a male deer with an antler (spike) three or more inches long shall be considered legal game this season.

Reports from the field indicate that this year there are as many legal bucks roaming the Commonwealth as last. The Game Commission therefore anticipates the male deer kill in 1956 will be about the same as that of 1955, when over 45,000 legal bucks were reported taken in a similar deer season of two weeks duration. Weather, as always, will be an important factor in deciding the total take.

Judging from numerous reports of large bucks with trophy racks being killed on highways through farming sections and near areas of human concentration many deer hunters could have outstanding success near home. Deer living in fringe areas are often larger than their cousins in the forested mountains, and there is less competition for the prizes in such localities.

There is no camp limit on male deer taken in the coming season but, whether hunting alone or with a group, no hunter may lawfully kill more than one deer as prescribed by season in 1956. Ownership of a current Pennsylvania hunting license entitles an archer who did not take a buck in the special October bow and arrow season to use either bow or gun to bag an antlered deer in the coming season.

When 5 or more persons hunt together, or in any way cooperate in hunting deer, the usual big game roster is required.

All automatic or semi-automatic firearms are forbidden in the taking of deer in the Commonwealth. Pump shotguns and the single and double barrel varieties, firing slugs, are allowed. Pump shotguns as well as rifles may be loaded to capacity for deer hunting. It is unlawful to use .22 or .25 caliber rimfire cartridges for the taking of big game in this state.

Successful hunters must tag their trophy immediately after the entrails are removed, or in any event within one hour after killing and before the carcass is transported in any manner from the place where the animal was killed.

Garland Cub Pack Displays Leather Craft and Puppets

Garland—The November meeting of Cub Pack 24, Dens One and Two, was held at the community building, with about 25 Cubs and parents present.

The boys played several games. Den One put on a skit with hand-made puppets; Den Two displayed leather holsters with fancy lacing, which each boy had made. The meeting concluded with all Cubs forming their "living circle" and repeating the Scout Pledge.

Recent guests of Mr. and Mrs. Seth Holmes have included Mr. and Mrs. N. H. Holmes, Mt. Holmes, Mt. Jewett; Ladonna Clemens and Wanda Dutton, Barberton, O.; Mr. and Mrs. Gordon Holmes and son, Mickey, Jamestown; Mr. and Mrs. Arnold Hodak and children, Gregory, Bonita and Cynthia Ann, Cambridge Springs; Mr. and Mrs. David Welsh and children, Wayne and Darlene, Starbrick. Mr. and Mrs. Holmes have been visitors of their cousins, Mrs. Hazel Wynn and Mary Howard, in Corry.

Mr. and Mrs. Archie Tresler entertained with a family dinner party at the community building Thanksgiving Day, out of town guests including Mr. and Mrs. Laurence Work and family, Chandlers Valley; Mr. and Mrs. Clifton Tresler and family, Columbus. Relatives from Albion and Frewsburg were unable to come because of weather conditions.

Mr. and Mrs. William Marino enjoyed Thanksgiving dinner with her sister, Mrs. Elda V. Henderson, at Pleasantville, where 18 were present for a family gathering.

Mr. and Mrs. John Sedlak, Jr., and their family were holiday dinner guests of Mr. and Mrs. John Sedlak, Sr., at Dugall.

Guests of Mr. and Mrs. Ward Van Guilder for the holiday meal were Mrs. Bertha Gamble, Glenn Schell and family, Torpedo.

AKELEY

Akeley—Mr. and Mrs. William Granquist and children, Beth and Victor, of Wexford, spent the holiday and weekend with their parents, Mr. and Mrs. Victor Granquist and Mrs. Halhe Holt.

Mr. and Mrs. LeRoy Larson, Al-lison Park, visited at the homes of Mr. and Mrs. Henry Larson and Mrs. Ruth Randall over the holiday. Mrs. Randall accompanied them home Saturday for an indefinite visit.

Thanksgiving Day dinner guests of Mr. and Mrs. Victor Lundmark were Mr. and Mrs. George Juline, Warren; Mr. and Mrs. Gust Nelson and son, Roger, Mr. and Mrs. Ernest Larson, Frewsburg; Mr. and Mrs. Carl Nelson and family.

Mr. and Mrs. Leland Haller and family were holiday guests of Mr. and Mrs. Ralph Haller and family at Stillwater. Mr. and Mrs. Claude Haller and family, Stockton, were Sunday callers at the Leland Haller home.

Drs. Carl and Jean Tonkins and family spent Thanksgiving with Mr. and Mrs. Herbert Kough, Erie.

SAVE ROUTE 6

This reminder about the "Save Route 6" campaign is reprinted from the current issue of "The Warren Idea" published by the Warren Area Chamber of Commerce:

The time is drawing near for a decision on whether Route 6 will be retained on the Federal Interstate System of Highways. The decision will be made in Washington by the U. S. Bureau of Roads which has already received the brief prepared by Murray Garber, Save Route 6 attorney, who has very ably compiled data and arguments showing why Route 6 should be on the Interstate and should not be penalized in favor of a central Pennsylvania road. As you know, the state administration has proposed to the federal government that the central Pennsylvania new road be substituted for Route 6 on the Interstate.

At a meeting in Wellsboro on October 26th the Save Route 6 Committee presented to state Secretary of Highways Joseph Lawler a petition of more than 10,000 names asking that Route 6 be kept in the federal program. That same day Mr. Lawler outlined a so-called "improvement" program for Route 6 which is entirely unsatisfactory to us and a poor substitute for the kind of highway we would get by being part of the Interstate System.

In order to strengthen our brief a survey has been sent to all industrial plants in the northern tier of Pennsylvania so that we get information on the amount of trucking which is used along Route 6. The questionnaires are to be sent directly to Harry Garvin in Bradford, Chairman of the "Save Route 6" committee.

HOLIDAY TRAGEDIES

One of the most frightening things in our world today is the ever-increasing number of deaths caused by accidents on the highways, in our homes and places of business.

Before you finish reading these few paragraphs another person will have died violently, needlessly, somewhere in the United States. It may be in a transportation accident, a fall, a fire. . . . It may be at home, at work, or at play . . . mangled, crushed, poisoned, burned.

Frightening as this is, it is much less frightening than ignorance. We know how to prevent those auto accidents, those falls, those fires. We recognize our social responsibility. Our government, our voluntary agencies, our private business enterprises spend millions of dollars every year in safety education, fire and accident prevention.

And where fire prevention is concerned, we find that encouraging progress is being made. The capital stock fire insurance business, for instance, like the transportation industry, has developed highly important safety education programs.

Of these, one of the most outstanding deals with Christmas fire hazards and the ways and means of correcting them. Such a program deserves the support of every individual. Only then can the appalling Christmas holiday toll in lives lost and property destroyed by fire be curtailed.

TRAFFIC SAFETY REMINDER

The Bradford Era offers the following suggestions for safe driving practices, especially during the late afternoon hours:

Do you know that almost 21 percent of all fatal traffic accidents occur between 5 and 7:59 p. m.? Those are the figures supplied by the National Safety Council, the exact percentage being 20.7.

It's asy to understand some of the reasons for this tragic percentage—darkness is falling; homeward-bound traffic is at its peak; people are tired after a busy day.

We can't change darkness and daylight and we can't change working-hour patterns but we can do this:

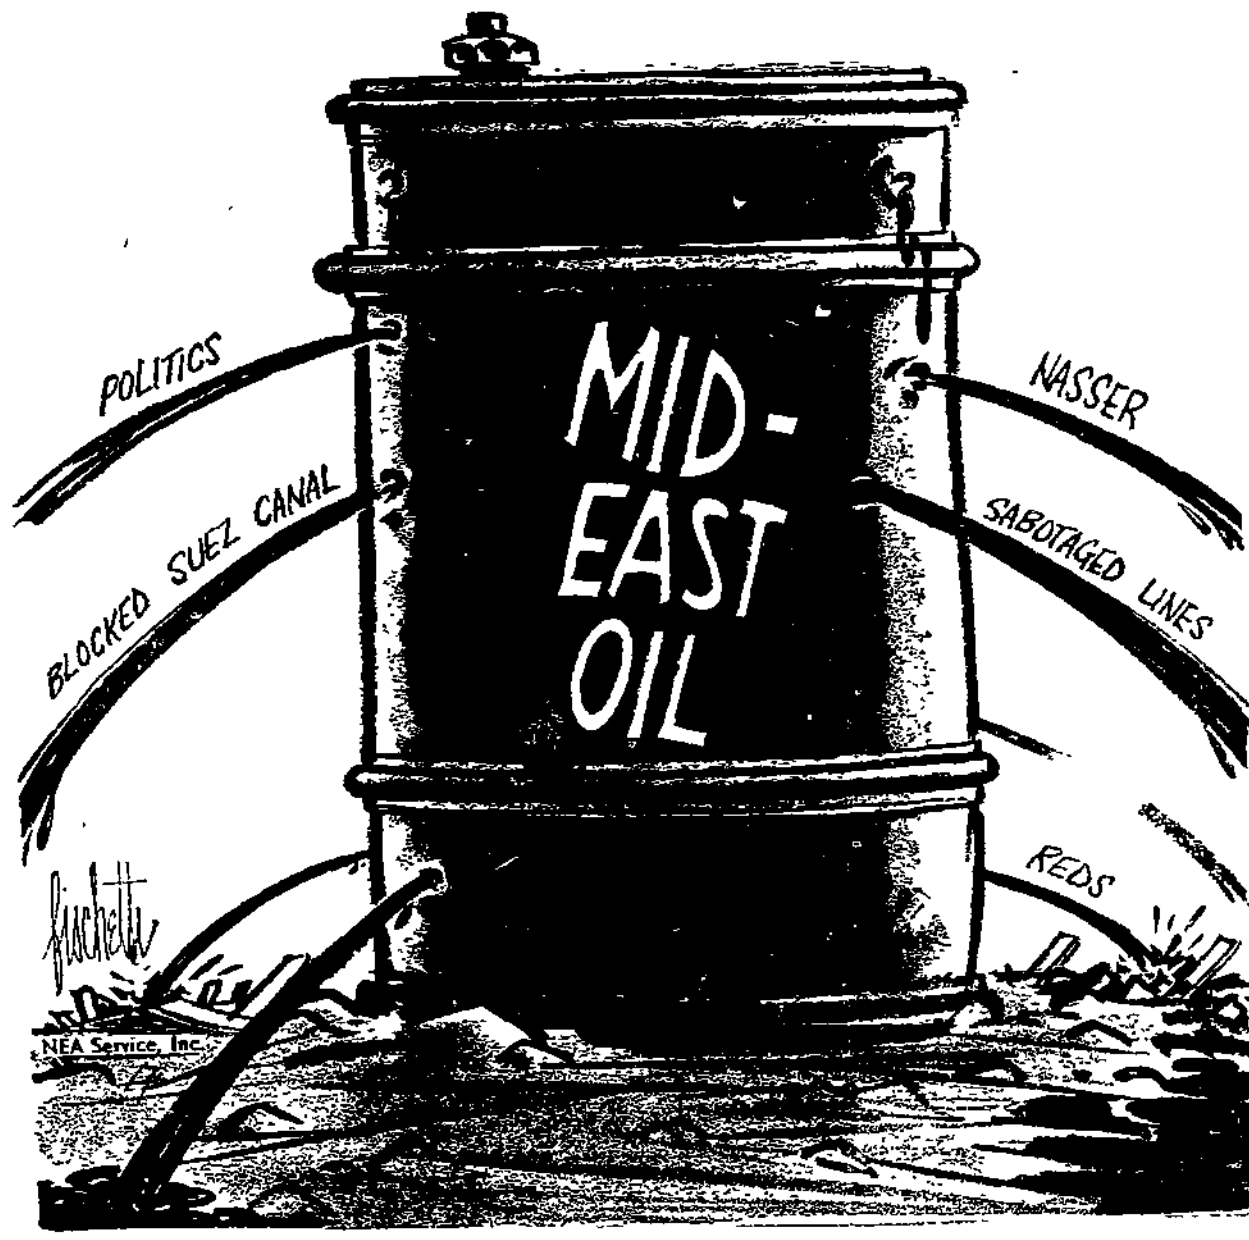

Let's resolve to be extra cautious on street and highway, with special emphasis during this three-hour period.

THOUGHTS FOR TODAY

And when thou sendest him out free from thee, thou shalt not let him go away empty.—Deut. 15:13.

Defer not charities till death. He who does so is rather liberal of another man's substance than his own.—Stretch.

Riddled

Here and There

This "Appreciation To Sylvia" printed in the editorial column of the Monday issue of the DuBois Courier-Express, needs no further comment here: The DuBois Area School Board was notified at its meeting last Tuesday night that the school district had been the recipient of surplus material for use in its shops, as the result of a gift by the local Sylvia plant. This is the second gift of this nature made by the local Sylvia plant, with the material contributed amounting to a very substantial figure. The material in question could have been salvaged by the plant, but it was felt that it could be put to good use in the local shops, and such has proven to be the case. The generosity of Mr. Frank Sterley, local plant superintendent and the Sylvia Company is one that is greatly appreciated and is welcomed by the school district.

The annual invasion of Red Coated nimrods to the big woods of the Allegheny National Forests will be under way this weekend, and from all accounts will follow same pattern as in recent years.

Thousands upon thousands of hunters will be driving east and west over U. S. Route 6 and branching off in all directions to fill the hundreds of camps scattered in the area, which are being readied for the campers who will inhabit them during the next two weeks. The State Game Commission anticipates the usual large kill, along with the announcement that deer seem to be well nourished and in excellent condition. At the same time special appeals are being made to those entering the woods to use extreme caution to prevent accidents. There will be the usual percentage of fatalities, some of them accidental, and others from natural causes, but the cooperation of everyone is urged to keep these tragedies to a minimum.

Reminding that tasks leading up to the holiday season cause some people to be so busy and self-centered that they forget to think of others, The Bradford Era suggests "This is the time of the year to be considerate, like. Holding a store door open for the shopper weighed down with packages; Being extra careful of pedestrians

who are keyed up with Christmas shopping and may forget a little about traffic; Being certain not to waste parking space; it's mighty valuable; Thinking of people less fortunate than we and doing something to make their Christmas season memorable. The spirit of Christmas is the spirit of "It is more blessed to give than to receive." Let's not confine our giving to gifts alone but let's give ourselves, too, through courtesy, charity and consideration."

The Weekly Newsletter says the Pennsylvania Game Commission congratulates the sportsmen of the state on their exemplary conduct, as a group, during the forest small game hunting period October 20-27. Reports received at the Commission office indicate that, generally, the conduct of hunters during the week was praiseworthy. The low number of Game Law infractions in that period refutes the theory that opening the season on certain small game species while it was closed on others would result in increased violations of the Game Law. For example, squirrel hunters in farm woodlots or in timber on the edge of agricultural land did not shoot ringnecks and rabbits prior to the October 27 opening on these species as it was predicted by some persons they would. Hunters for turkeys, grouse and squirrels concentrated in the forested northern counties on the 20th and the remaining days prior to the general small game opener. This apparently relieved the gun pressure on farmlands in all but a few counties on October 27th.

★ WASHINGTON COLUMN ★

Ike's Health No Longer Worries Those Around Him

BY DOUGLAS LARSEN
NEA Staff Correspondent

WASHINGTON—(NEA)—On election day, the American public registered its confidence in the state of the President's health. And if there were still any lingering doubts among observers in this town about it, such doubts have now been erased.

The strain of the campaign, plus the extra burden of the recent overseas crisis since, have actually appeared to tone up the President, rather than wear him down. At his recent press conferences and other public appearances he has never looked better.

At the start of his campaign doctors watched him as closely as it's possible to police the health of a man. He had two physical exams daily plus frequent other checks. All of the information was studied regularly by several specialists in addition to the regular White House doctors.

WHEN IKE stepped up the pace of his campaign in the final month his doctors were at first mildly apprehensive, then amazed! The traveling and talking, they discovered, were a tonic to him.

Now, with the full approval of his doctors, he has assumed a schedule of daily work which is actually more rigorous than before his heart attack.

The other day, for example, he kept the nine scheduled visitors' appointments, plus the extra ones which are usually sandwiched in. Actually, the list of appointments which is given out the prior evening is no real index to the number of persons who visit the President, especially during a period of crisis. Cabinet members and other officials get in to see him automatically when they have a special need.

WHEN POSSIBLE these days Ike still attempts to get in a brief swim sometime before noon and then have a rest and lunch, in that order. If one of these rituals has to be sacrificed, it's the swim. The rest is sacrificed next. And if things are really humming the President will make his lunch serve as a business conference.

Frequently, recently, he has used lunch as a meeting time with diplomatic representatives here. The illness of Secretary of State John Foster Dulles has been partly responsible for this.

All of the luncheon guests during the past week, by the way, have commented on the good health of the President. The resounding support which the American people registered in him at the polls could be partly responsible for this, persons close to him say.

Not since he took office four years ago has he spent so much time on the long distance telephone, it is also reported. He leaves his office in the west wing about six and eats dinner about seven thirty.

HE USED to rest or read during that interim. But the past several weeks he has devoted that time almost exclusively to talking to U.S. officials overseas. The time difference between Washington and Europe is partly responsible for this. But Ike's eagerness to keep in touch first hand with fast-moving developments in Europe, and the Middle East is the main reason.

It is reported that the President feels that the current happenings abroad are the most significant of any which have taken place since he has been in office.

In spite of all this display of youthful vigor, Ike's doctors are still keeping careful watch of his health. He is getting the twice-daily physical check and his diet is rigidly supervised.

But these things have become strictly routine and there's an absence of concern over the state of his health among the persons around him.

SOCIETY

MR. AND MRS. RICHARD D. DeVaul

Elsie Ruth Devore, daughter of Mr. and Mrs. Anson Devore of Youngville Rd., became the bride of Richard D. DeVaul, Pittsfield, at 2:00 p. m. November 24 in First Methodist church at Youngville.

The Rev. J. Norman Helder performed the double ring ceremony before an altar decorated with white pom poms. Mrs. Annabelle Pierce was at the organ for wedding selections.

Escorted and given in marriage by her father, the bride wore a ballerina length gown of camellia-white imported chantilly lace over

satins, styled with scoop neckline, long tapering sleeves, and full skirt. A matching cap of lace held her illusion net veil, her single strand of pearls was the bridegroom's gift, and her flowers were white carnations with satin ties.

Mrs. Margie Baughman, with yellow lace gown and matching headband, was her sister's matron of honor; Anne MacDonald of Warren, wearing green lace and head bandeau, served as bridesmaid. Each carried a pink carnation bouquet.

Max Smith, Pittsfield, was best man; ushers were Donald Lake, Pittsfield, and Keith Devore, brother of the bride.

Wearing white carnation, corsages, Mrs. Devore chose a navy nylon outfit; Mrs. Orville Loomis, foster-mother of the bridegroom, chose a tan dress and black accessories.

Following the ceremony, the reception was held at the National Forge clubhouse, where the table was attractively decorated and featured a three-tier wedding cake topped with miniature bride and groom.

Following the ceremony, the reception was held at the National Forge clubhouse, where the table was attractively decorated and featured a three-tier wedding cake topped with miniature bride and groom.

After a wedding trip to an undisclosed destination, the couple will be at home to friends in Youngville.

For travel, the bride chose a brown dress, red and white accessories.

GOLDEN AGERS

HEAR MAJOR SCHAFFER

Guest speaker for the meeting of Golden Age Society at the YWCA activities building Monday afternoon was Major Charles Schaffer, recently-retired Salvation Army official. He gave a very fine talk on the work of his organization, particularly in Warren and vicinity.

Plans were made for a Christmas party December 10, with a tureen luncheon at one o'clock and members to bring 25-cent gifts for a grab bag. There will also be the usual birthday table. Members are urged to make immediate plans to attend and to note the change in time.

"The Rainmaker" Great Story for Dramatic Media

When Warren Players present "The Rainmaker" to the public on December 6-7 in the Woman's Club auditorium, they will be providing an opportunity to see one of the most important stories of the dramatic world.

Soon to open in New York, the story has already been made into a movie. Katherine Hepburn, one of the screen's most successful and fascinating women, will play the role of Lizzie. Cast as the vagabond Rainmaker is Burt Lancaster, among the screen's important male stars.

The actor Cameron Prud'homme will be playing the part of the father, and Joseph Anthony, who directed the stage play, believes so thoroughly in the story he will also direct it as a movie.

When great theatrical figures

like Hepburn and Lancaster appear in the movie roles, that is assurance that the story is a great one.

Warren Players believes its Warren audiences will feel the greatness of it, and will be delighted with the problems, the solutions, and the deluge—for the rains do come, and who can say that the con man did not bring them?

Director Lois Muir and her cast invite all members and the public to see their production of "The Rainmaker" in early December.

GLADE WCTU

Kathryn Koebly, 113 Biddle street, will entertain Glade WCTU members at her home Friday at 2:00 o'clock, when a special program has been planned and a large attendance is urged.

PENNY SUPPER

Lander PTA is sponsoring a Penny Supper in the community house from 5:00 until 8:00 p. m. Friday of this week and will appreciate the public's support.

Plans Progressing for Trinity Annual Bazaar

Traditional in the community is the annual County Fair and Bazaar sponsored by the Woman's Auxiliary of Trinity Memorial church. For many years the event has attracted scores of holiday shoppers and friends of the organization.

Once again, on Thursday, December 6, the affair will open to the public at 2 p. m. and close at 9 p. m.

For many weeks, those skilled with the needle have been busily creating a host of beautiful aprons and other fine handwork under the direction of Mrs. E. G. Hamilton and the 1956 booth promises delightful surprises.

Mrs. Edward Finley, Mrs. Stanley Riggs are named as co-chairmen for a delicious ham dinner served in conjunction with the county fair with Mrs. Frank Perin in charge of tickets.

Long famous for culinary skill, the church group's best cooks will provide items for the food booth presided over by Mrs. Thomas Driffin, Mrs. William Ball and Mrs. George Parfitt, while Mrs. Melvin Ahlgren and Mrs. Richard Anderson supervise the Candy section.

Mrs. W. T. Davidson, Mrs. Harold Blair, Mrs. H. A. Logan and Mrs. M. H. Lewis head the Corner Cupboard, known for a versatile selection of unusual gifts.

For the children's pleasure, Girl Scouts of Troop 101 will conduct a fish pond full of fun and stuff for the kids.

Trinity Women are reminded that all donations to the bazaar are gratefully received and a cordial invitation is extended everyone to attend the December 6 bazaar.

"Half the blindness taking place today could be prevented," reports Dr. Franklin Foote of The National Society for the Prevention of Blindness.

Successful Meeting Is Held By Cub Pack No. 2

Cub Scout Pack No. 2 of the Jefferson School had a successful meeting last night in the school auditorium. The meeting was attended by 53 Cub Scouts and 50 parents. During the meeting many achievement awards were presented.

The following new Cubs were welcomed into Pack 2 and received their Bobcat pins: Den 2—Rocky Logan, John Link, Alan Culbertson, Tommy Passaro, David Schafer, William Johnson, Den 6—David Zock, Carl Clark, Alan Hills, Richard Russell, Den 7—Douglas Glass, Curtis Biew, Jay Fees, Mark Goodwin, David Johnson, Philip Smith, Den 8—Dennis Sly, John Gaghan, Den 9—Timmy Hunter, Tommy Hunter.

The Cubs listed below received their Service Stars for one year of cubbing: Den 1—Bert Alexan-

der, Tom Smith, David Sampson, Douglas Dixon, Jack Daelhausen, Jerry Lauffenberger, Den 3—Jeb Myers, Garry Bowers, Charles Frantz, Dennis Dodge, Martin Reynolds, Mickey Kay, Den 4—Ralph Valone, Douglas Solock, Jimmie Smith, Charles Zellefro, George Grundberg, Robert Johnson, Den 5—Charles Armstrong, Jeffrey Black, Fred Blackman, Richard Blake, Eddie Schmidt, Martin Dixon, Den 6—John O'Hara, Bruce Swanson, Den 8—Gail Lauffenberger, William Schafer, Stuart Myers, Teddy Proukou, Den 9—Gail Swartz, Charles Hurlburt, John Hickey.

The highlight of the Pack meeting was the presentation of Webelos badges to these five boys who have graduated from Cub Scouts to Boy Scouts: David Lundahl, John Davidson, Andy Potter, Roger Paucek, Charles Bigelo.

The tourist industry in Texas now earns more than \$412 million annually. This is an increase of \$136 million since 1950.

SOCIETY

Auxiliary Arranging Holiday Festivities

Appearing at last night's meeting of Chief Complanter Unit 135, American Legion Auxiliary, Miss Sallie Weiler, Warren county's Community Ambassador to Holland last summer, provided the membership with a most delightful evening of colored slides and informative commentary concerning her experiences as a "member" of a Dutch family.

Members voted to hold a Christmas party December 11, each to bring a 50-cent gift for exchange and a cash contribution to be turned over to the sunshine committee.

Mrs. Guy Albaugh, rehabilitation chairman, announced plans for the Christmas party at Warren State Hospital on the evening of December 20 and asked that anyone willing to bake cookies for the party will call her, 1533-M, within the next few days.

It was also announced the party for the Junior Auxiliary will be held the afternoon of December 12; the meeting of the Auxiliary Past Presidents was held at the home of Mrs. Milton Witz, with Mrs. George Cobb presiding.

Last night's tuxedo dinner was exceptionally well attended and

enjoyed. Mrs. Agnes Duncan, Mrs. Ella Mauk and Mrs. Gerda Carlson were the committee.

During the business session, members voted a contribution to the Warren County Tuberculosis Society and to the Edward Stokes Fund.

PINE GROVE PTA

Russell—The November meeting of Pine Grove PTA was held at the local school, with President Tom Leathers presiding and all repeating the Lord's Prayer. Following routine reports, the finance committee announced it will sponsor a mock bake sale to raise money for purchasing a film for the county movie library; the membership committee reported 197 persons signed up. Mrs. Duell's third grade received the prize for having the most parents present.

The program, under the chairmanship of Mrs. Virginia Lindquist, consisted of a skit staged by Mrs. Gayle Garrett's Girl Scout troop, and a film, "Children at Play." Refreshments were served by fourth grade mothers.

WARREN ART GROUP

Final meeting of 1956 for Warren Art Group members will be held at 7:30 p. m. Thursday at the studio. In order that by-laws may be voted on, a large attendance is desired.

Country Club Juniors To Have Holiday Event

In anticipation of the approaching holidays, invitations will soon be mailed to junior members of the Conewango Valley Country Club to announce a Christmas dinner-dance on Thursday, December 27.

The affair will include all the younger set, from Beatty Junior High School students through the college crowd.

Music for dancing will be presented by Dave Johnson and his orchestra from Bradford.

Those assisting with party arrangements are Dr. and Mrs. J. R. Sugerman, Dr. and Mrs. Francis Ericsson, Mr. and Mrs. William E. Rice, and Miss Andrea Wright.

DAY OF PRAYER AT ST. PAUL'S

The three missionary societies of St. Paul's Lutheran church will sponsor the annual Mission Day of Prayer service next Sunday at 7:30 p. m. Mrs. C. Walter Johnson will preside for the program; Albert F. Mattison will lead devotions.

Guest speaker will be Rhea Rein, Jamestown, N. Y., who will show slides and tell something of the work at Bethphage Inner Mission. David Johnson will present a recitation; Miss Paul Yaegle will sing "My God and I." A cordial invitation is extended all members and friends of the church.

HOLIDAY SCHEDULE FOR CHORISTERS

A schedule of Warren High School A Cappella Choir plans for the Christmas season is announced as follows by Director Carroll A. Fowler:

Thursday, December 6, the choir will sing at the Presbyterian church; December 17, for the Rotary Club luncheon and the annual Christmas Carol Festival in Beatty auditorium in the evening; December 18, for Lacy PTA meeting; and will wind up the season by entertaining for patients at Warren State Hospital.

MARTHA GRAF CIRCLE

Mrs. Everett Grosch, 507 Conewango avenue, entertained 12 members of Martha Graf Circle of Grace Methodist church, when Mrs. Sara McClement led devotions and poems were read by several members. Mrs. Esther Smith was in charge of the business session, cancer pads were made and the hostess served refreshments assisted by Mrs. Mary Fitzgerald and Mrs. Hazel Dalrymple.

PENNY SUPPER

Auspices P. T. A.

Gathered From The Party Line

Mr. and Mrs. Charles H. Sampson, married November 3 in St. John's rectory at Tidoute, are residing at 201 Petit street, Titusville, following a short wedding trip to Canada and other points.

TV followers locally are interested in announcement that Isaac Stern, talented American violinist, will be a special guest on the Saturday night Perry Como Show. Mr. Stern, it will be recalled by local musicians, has been heard in Warren on two earlier concert series programs and has also drawn local friends to several concerts in nearby cities.

Youngsville High School juniors will be covering a wide territory Saturday when they sponsor a benefit bake sale in five different communities: Youngsville, Pittsfield, Garland, Grand Valley and Lottsville.

Mr. and Mrs. Atwood Drum, 109 Redwood street, have returned from Evansville, Ind., where they visited their son, John, now associated with the WEHT-TV production staff, and doing some directing and announcing.

FIREMEN'S AUXILIARY

Garland—The following were appointed to serve on the nominating committee at the Firemen's Auxiliary meeting, with 15 members present: Mrs. William Marino, Mrs. Eugene Clancy and Mrs. Granville Bailey. Routine reports were heard and it was decided to hold the next meeting December 18, the stated meeting falling on Christmas Eve.

Proceeds from the patch apron were turned in by Mrs. Art Kane and the apron was won by Mrs. Glenn Eastman. Mrs. Mearl Howell, president, announced there will be a gift exchange at the Christmas meeting, when lunch committee will include Mrs. Kane, Mrs. Clancy and Mrs. Arch Bristow.

In conclusion, a lunch of apple pie and coffee was served by Mrs. Joe Baron, Mrs. John Zolko and Mrs. Frank Stec.

ROCK AND ROLL DANCE AT YOUTH CANTEN

Dick Bove will be spinning the top 30 records, plus other times for the Rock and Roll Dance to be held at The Spot Friday night. Sponsored by the Youth Canteen Board, there will be dancing from 8:00 until 11:00, admission to be 25 cents.

REUNION COMMITTEE

A meeting of the reunion committee of the Warren High School Class of 1932 will be held at eight o'clock this evening at the American Legion Home and all interested are asked to be on hand.

MARILYN VESLING, lower right, a graduate of Warren High School in the Class of 1954 and daughter of Mr. and Mrs. Clarence Vesling of Stoneham, has been elected secretary of the Class of 1959 at Edinboro State Teachers College. Seated with her is Vice President James Concilia, of North East. Standing are President Clemuel W. Dobbins, of Meadville, and Ralph I. Andrus, Erie, who is treasurer. (ESTC Photo).

LADIES' AID

All members and friends are invited to attend the meeting of Ladies' Aid of Bethel EUB church Thursday at 7:30 p. m. at the church. Mrs. Ethel Harriger has prepared an interesting devotional period and Mrs. Clarence Hepfinger, retiring treasurer, will be honored. Hostesses will be Marjorie Werle and Mrs. Ethel Sherwood, and a good turnout is anticipated.

DORCAS SOCIETY

All members and friends are urged to be in attendance for the meeting of Dorcas Society, to be held in St. Paul's Lutheran church at 8:00 p. m. Thursday. A fine program has been arranged and refreshments will be served. Hostesses will be Mrs. Albert Hollister and Mrs. Charles Johnson.

WILTSE AID

Russell—Wiltse Ladies Aid Society has planned its annual Christmas party for Wednesday afternoon, December 5, at the home of Mrs. Ernest Wiltse, with a gift exchange as one of the features.

SUGAR GROVE

Sugar Grove—Leonard, infant son of Mr. and Mrs. Leonard Briggs, has been a patient in Jamestown General Hospital.

Mrs. Clifford Storms and infant daughter, Susan Anne, are home from Jamestown General Hospital. Mrs. Mildred Palmer, Jamestown, who spent the weekend with her daughter, Mrs. Earl W. Abbott, fell on the ice Sunday and fractured her left wrist. She was treated by a local physician and taken to Jamestown for X-rays.

Mrs. Burt Schoonover is confined to her home by illness.

Carl Hildale, former local resident now living in Kingwood, W. Va., has been a patient at the Savre Veterans' Hospital and, more recently, at Johns Hopkins Hospital in Baltimore, Md., where he is recovering from an unusual and serious brain infection.

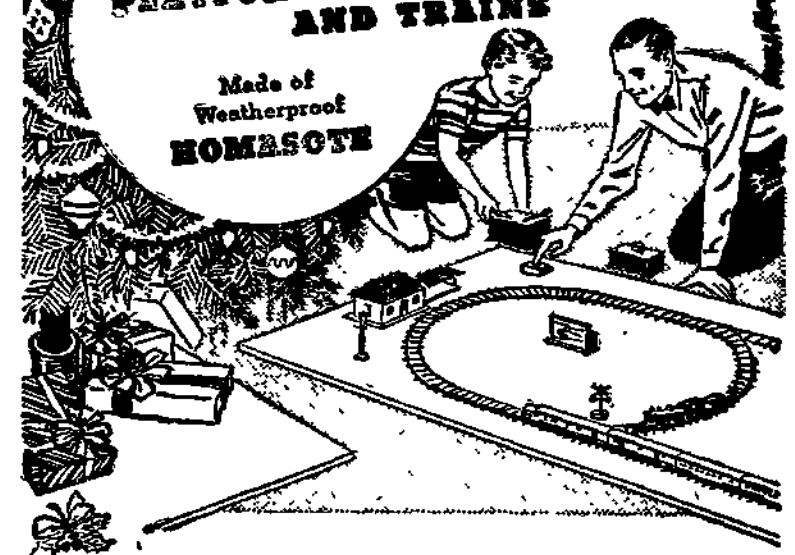

The need for \$300.00 to save an experimental TB hospital in Delaware sparked the first American Christmas Seal Sale in 1907.

Community Chest Appeals in Communities of Pennsylvania Setting New Record This Year

Community Chest and United Fund campaigns in Pennsylvania have soared to an all-time high this fall with contributions now totaling \$35,000,000 throughout the state. Most successful are the United Fund campaigns which combine many drives into one.

The campaigns of all 113 Chests and Funds in the state, whose goals total over \$38,000,000, are expected to top that figure by several hundred thousand within another three weeks.

This was announced by Pennsylvania United Fund as enthusi-

astic reports began pouring into the statewide organization from cities where drives are completed or are nearing their final stages.

Although each Chest or Fund operates independently, their reports are sent to PUF to make tabulations for the state as a whole.

In comparing results from around the state, Pennsylvania United Fund pointed out that the most outstanding campaign victories are reported from the Pittsburgh, Erie, Sharon, Williamsport and Chester areas where there are

newly-formed United Funds.

"Public support of these new United Funds proves that people want one annual campaign to support all health and welfare agencies instead of many drives during the year," stated PUF in a recent statewide bulletin.

Citing the successes in these five areas, PUF reported that \$379,255 has been contributed to the United Fund of the Sharon area, which had set a \$282,455 goal. The county-wide United Fund in the Pittsburgh area has received contributions of \$9,564,222 on a \$8,875,469 goal. The report from Williamsport is that the new county-wide United Fund has contributions of \$451,948 on the \$446,000 goal. Residents of the Erie area have already topped the United Fund goal of \$1,134,941 by contributing \$1,204,828. Similarly, the United Community Fund of Chester has raised \$523,838 on a goal of \$491,616.

Other United Funds and Community Chests cited as having topped their goals and for having exceeded the amounts raised in last year's campaigns are those in Johnstown, Butler, Bethlehem, Meadville, Pottsville, Harrisburg, Scranton, Wilkes-Barre, West Chester, Allentown, Coatesville, Greensburg, Greenville, New Castle, Spring City, Warren, Beaver Falls and Lebanon.

Pennsylvania United Fund pointed out that much of the campaigns' success this fall is due to excellent support by employees. For example, over a half million dollars has been contributed by about 37,000 employees of the Bell Telephone Company of Pennsylvania to the various Chest and Fund campaigns.

Bethlehem Official Cites the Need for Expansion in Steel Making Capacity in Country

By L. A. BROPHY

Hollywood, Fla. (AP)—A 50 per cent expansion of steel making capacity in the next 15 years will be necessary if present economic growth continues, Arthur B. Homer, president of the Bethlehem Steel Corp., said today.

He made the statement in a speech prepared for the annual convention of the Investment Bankers Assn. of America.

This expansion would mean a total annual output of 200 million tons, 70 million more ingot tons than now.

Will higher steel prices be necessary to provide for such a tremendous expansion?

Homer said "the necessary price adjustments for this purpose need not be drastic."

He said he hopes for a policy of moderation as to prices. "It is not logical to expect that our customers, and in consequence the rest of the economy, should be saddled with the whole financial burden of a necessary expansion," he declared.

There is, however, a big cash problem involved in building future steel capacity, he said. He maintained the issue would be met through "higher earnings, financial borrowing, stabilized wage costs, accelerated amortization and more realistic pricing."

Homer said the steel industry is "conscious of its duty" to combat inflationary pressures. "We intend to do everything possible to make our contribution through more efficient operation and thereby offset as much as possible the

growing employment costs," he added.

Expansion in the industry is going on now, he said, at a rate of about five million ingot tons annually through 1958. He estimated the industry will need to spend well over five billion dollars within the next five years to create some 20 million tons of new capacity.

The oil and natural gas securities committee of the association reported to the convention that its study showed it will be 1959 or 1960 as the earliest likely dates for the generation of private atomic power. It anticipated no serious threat in the relatively near future to the oil and natural gas industry from atomic energy as a source of power.

C. Beckley Store Unveils Glamorous New Frigidaires

Glamorous 1957 Frigidaire appliances with an exciting new sheer look were unveiled here today by C. Beckley, Inc., showrooms at 244 Pennsylvania Ave., W.

The new appliances have a completely new and different type styling, with clean, squared-up lines so popular in today's architecture and functional interior design are highlighted in these new products. Mr. Beckley pointed out that styling experts are predicting that this concept will touch off a whole trend in appliance design and will sweep the country in chain-reaction fashion.

The 1957 Frigidaire appliances are styled and designed so that home-maker can have a kitchen with a built-in look without necessarily making expensive room and cabinet alterations when new equipment is installed.

The thrilling new squared-up styling makes it possible for the new appliances to blend into a kitchen setting with building block simplicity, Mr. Beckley emphasized.

For the first time Frigidaire appliances are available in the charcoal gray as well as Mayfair pink, Stratford yellow, Sherwood green and Snowcrest white.

There are 12 new refrigerator models with capacities from 8 to 14.1 cubic feet designed for any type kitchen or family budget. All models have newly designed recessed doors to accentuate the built-in look and they fit glove snug with adjoining kitchen cabinets. Doors of all models can be easily opened from the inside—thanks to an exclusive new safety latch and air-cushioned door seal.

A new Modular design concept also has been incorporated into refrigerators this year. They are built on a four-inch module in 24, 28 and 32 inch widths.

Planes Bring New Arrivals To Lonely Colony At South Pole

McMurdo Sound, Antarctica (AP)—The lovely U. S. colony near the South Pole swelled to 19 men with the arrival of two plane loads of construction workers.

The new arrivals joined eight men who had been living in tents on the below-zero, snow-swept plateau since they were landed Tuesday and a St. Louis sergeant who parachuted to join them yesterday.

The sergeant, Richard J. Patton, volunteered to jump in to direct Globemasters which will parachute 450 tons of supplies for the

scientific base to be built at the pole.

Two ski-equipped Navy Dakotas landed the 10 construction workers, taking off again for the main Operation Deepfreeze base at McMurdo sound after 30 minutes on the polar snow.

Arrival of the reinforcements was expected to give the construction work a big boost. Bad weather had delayed the second landing. Another flight is planned soon to fly in five more construction workers and Dr. Paul A. Siple, the Antarctic veteran who will head

the scientific party wintering at the polar base during the International Geographical Year.

JILL, I—HOPE I AM BEING FOOLISH!

High Popularity of The U.S. Savings Bonds Continues

High popularity of U. S. Savings Bonds continues. People in Pennsylvania bought 362 million dollars worth of United States Savings Bonds from January through October 1958.

While this figure is five percent under 1957's record in the state, it is the second largest amount of Savings Bonds purchased in a ten month period for any year since World War II.

In reviewing the figures, Charles

S. Krumrine, State Chairman, U. S. Savings Bonds Committee for Pennsylvania, declared that there is no safer investment in the world.

"The complete safety of U.S. Savings Bonds, plus the fact that they can be instantly converted into cash, make them attractive in any type of financial market," Krumrine said.

He also noted that three percent interest paid by Savings Bonds presents a good yield for an investment that is absolutely guaranteed, and one in which the investor cannot possibly lose a penny of interest or principal.

"A part of every American's savings belong in U. S. Savings Bonds," said Krumrine.

"Dutch Professor" Writes an Interesting Letter to Weilers

The Burdette Weiler family, on Yankee Bush, has received the following interesting letter from Theo T. Huitenga, "Dutch Professor" who was a guest at their home for some time last summer during his tour of United States and Canada:

Haren, 9th November 1958
Dear Weiler Family,
I have at last returned to my flat, rainy home country, which now seems very dreary after the fairy-like fall colors in Penna., N. Y. State and Canada. Just like Sally, I was expected to get adjusted straight away to the daily routine of teaching, but of course we must not complain, because we have generous vacations (we need them, naturally!). After a few weeks of fearful efforts to get used to these people, called Hollanders, we moved into another house (I gave you my present address and very gradually it is getting fit to live in. I very much enjoyed the ride with Pete (?) to Ithaca. The country there is very beautiful. The next day I talked to several people of the languages and agricultural departments. I tried to get to the Adirondack region, first from Syracuse and then from Watertown, but I was not successful.

I was advised to go to Gananoque ("the Thousand Islands") in Canada, which is certainly worth a visit. The two hours cruise by motor launch has been an unforgettable experience. In Ottawa I saw the usual sights, spoke to some university people and paid a visit to the office of the Netherlands Agricultural Attaché.

From there I went to Montreal, where I tried again to get a bus to the Adirondacks, but in vain. Instead, I saw a good deal of the surroundings, e. g. an Indian Reservation Village (I expected something like the Volendam and Marker hoax, but it was not as bad as this) and the town of Granby. The voyage home was pretty rough and rather boring. Very often I was the only man on deck, climbing toward starboard and port, according as the Grootes Beer wobbled this way or that. If they were not seasick, I had occasional chats with a Dutch clergyman, an emigration officer, and also Mr. Bergstrom, the gym instructor on the westbound trip. Mr. Bergstrom and I were shown around by the Chief Engineer in the engine rooms. Quite a factory in itself, with three stories and lots of people working on various jobs.

My mind is still occupied with the U. S. and the great many Americans I have met. As I told you before, the center of my stay on American soil is Warren, and especially the WEILER FARM. It is a complete understatement to say that your hospitality and the trouble all of you took to make me most people and see so much of the country, are things I am very grateful for.

About 200 students of my college have now heard about my

travels, including the description of yours and other farms. Every now and then I tell my wife this or that is done in such and such a way by Mrs. Weiler! Perhaps we'll have a thermostat on the oven too, some day.

If Mr. Weiler and/or a colleague of his really wants to have a Dutch farmer's son on his farm for some time, I'll be glad to know it. I haven't talked of it yet. What would be the terms and conditions?

Some days ago I bought a pair of wooden shoes for Danny Burgett. You will receive a pair, too. I also sent Danny a picture book on Holland with texts in four languages, but the English text will do for him, I guess.

If Mr. Schneek has still got "my tape", he might send it to Holland, if it isn't too much trouble, but then he is a busy man. Every day I am reminded of the Warren Rotary Club, because of the fountain pen they gave me, and it is an excellent one.

I told you of my vague plans to settle in the U. S., but after making many inquiries and seeing many college people, I still don't know whether I'll do it some time or not. I have just moved into a new house, my present job is not particularly bad and it involves a lot of trouble and expense to move two grown-ups and three children together with books and furniture to the other side of the Atlantic. But still, I can't get the idea off my mind. Of one thing I am sure, my children would have more opportunities in America than in this crowded country.

I hope to hear from you some time. My kind regards to all the Warren people I have met.

Yours,

THEO HUITENGA,
Lokveeweg 26,
Haren (prov. Gron.).

Dragons Readying for Season Opener on Saturday

Warren Academy Meets Warren Quintet First Time Since 1948

By BANTAM JACKSON

The Dragon quintet is prepping daily for the opening game of the 1957 basketball season which will be played this Saturday evening at the Lions of Erie Academy on the Beatty floor.

Offensive and defensive maneuvers on both an individual and team basis have occupied most of the afternoon and evening practice sessions, with constant attention given fundamentals such as blocking, cutting, passing, shooting, ball handling, rebounding and footwork. From all indications it appears the lean and lank charges of Coach Massa are going to give Academy a run for their money if hard work and determination mean anything. Joe reports the team spirit is exceptionally high this year.

The Dragon five has not played since the 1947-48 season when it lost the first match 42-33, on the home floor but then went on to take the Lions into camp for the District 10 championship. Meeting them on a neutral court at Edinboro, the Dragons avenged the Lion's earlier triumph by whipping them, 48-38, for the District crown.

Coach Massa has indicated that he is not yet certain just what type of offense and defense will be employed against Academy. With many patterns and set-ups possible from Warren's veteran squad, it would appear the Lions and other Dragon opponents can expect different types of zones, assigned man to man, switching man to man, or, in a tight one, an all-court press.

Top contenders for the still undecided starting Dragon berths are Dickerson, Jim Monheim and Nick Monroe in the lead as forwards; Bill Dahl at center; Dick Danielson, Steve Lindquist, Jack Karlosky and Ken Hoffman as guards. John Berdine is still hampered by a football injury to his hand. Others held on the ready list are Ray Bennett, Louis VanBloms, Tom Schaeffer and Chuck Still.

Classen Picks Navy O'er Army In Big Classic

By DON WEISS

New York, (P)—Classen's carriers got through from the Fiji Islands with his packet of football picks last week but this time—well, just too much going on in Melbourne where Harold J. is reporting the new American gold rush.

So here goes with the choices for the wrapup weekend of the collegiate season in a program dipped in tradition:

Texas A&M over Texas.
Navy over Army—What else from an old deck swab?
Oklahoma over Oklahoma A&M—this makes it 40 straight.
Tennessee over Vanderbilt—Volunteers are sure of a major bowl invitation.
Georgia Tech and Georgia—Bowl time is approaching and that's when Bobby Dodd and Tech embargo defeat.

Southern California over Notre Dame—The Trojans have been an annual threat even to Notre Dame's good teams.

Texas Christian over Southern Methodist.

Miami over Florida—The Hurricanes remain unpardoned, uninvited—and unbeaten.

Clemson over Furman.

Others: Auburn over Alabama.
Baylor over Rice, Boston College over Holy Cross, Missouri over Kansas, Tulane over Louisiana State, Mississippi over Mississippi State, Houston over Detroit, Texas Tech over Hardin-Simmons, Colorado A&M over New Mexico and San Jose State over Hawaii.

Iowa Star Is Picked By A.P. As Back of The Week

Kenny Floen, the fellow who puts the "go" in the attack that led Iowa to the Big 10 championship and a Rose Bowl berth, was chosen The Associated Press back of the week today in the final accounting of the football season.

Floen had a direct hand in four touchdowns and directed the drive to another last Saturday as Iowa wound up its best season in 35 years with a 45-8 victory over Notre Dame.

When his busy afternoon's work was over, the Hawkeye quarterback had scored on runs of 10 and 41 yards, passed 23 yards to Fred Harris for another and set up a fourth with a 32-yard run to the Notre Dame one.

Wolverine Hopes Hang on Top Of Eight Six-Foot-Tall Seniors

Sheffield High School basketball five, operating in, under, around and above a nucleus of six footers, opens its season Friday, Dec. 7, with a home contest at Smethport.

Last year the topnotch Sheffield basketballers won 18 straight games during the season and two more post season contests before dropping one.

Then the entire squad graduated and this year the Wolverines start from scratch without a single returning letterman.

However, the coach does have eight seniors measuring in at six feet or better from which to build a team. They are Dunn, Miley, Andrews, Slater, McNeal, Cashmere, Boardman and Schuler. Rounding out the quintet are two juniors, Rosetti and Benson.

John Exley is basketball manager.

Sheffield's 1956-57 schedule:
Dec. 7, Smethport.
Dec. 11, Marienville.
Dec. 14, at Youngsville.
Dec. 18, at Smethport.
Jan. 4, Emporium.
Jan. 8, at Warren.
Jan. 11, at Ridgway.
Jan. 19, Warren.
Jan. 22, at Marienville.
Jan. 25, Johnsonburg.
Feb. 1, at St. Marys.
Feb. 5, at Emporium.
Feb. 12, Youngsville.
Feb. 19, Ridgway.
Feb. 22, at Johnsonburg.
Feb. 26, St. Marys.

Joe Louis Picks Archie Moore To Beat Patterson at Chicago

By JOE MOOSHUL

Chicago, (P)—Former champion Joe Louis picks Archie Moore to beat Floyd Patterson in their heavyweight title bout at Chicago Stadium Friday night. The Brown Bomber thinks Moore will win by a knockout.

Louis is one of many former titleholders to pick ancient Archie in the fight which will be nationally televised and is expected to draw 18,000 in blacked-out Chicago.

Joe Maxlin, who lost the light heavyweight title to Moore and failed to regain it in two tries, is the only man to have beaten Patterson in his 31 fights. Maxlin favors Moore.

Rocky Marciano, who knocked out Moore in September, 1955 and then called it quits, also chooses Moore.

Louis predicted Moore will win by a knockout.

The man who ruled the heavyweight ranks for more than a decade dispelled notions that fighters are never the same after being knocked out by Marciano.

"Archie didn't take any beating when he lost to Marciano," Louis said. "Moore was exhausted but not hurt. Rocky just wore him down. If Rocky had hit Moore with the punch which he won the title in the 13th round at Philly from Jersey Joe Walcott it'd be a different story."

"But Moore has proven himself in winning 11 fights since he lost to Marciano, and something like that restores a man's confidence. Patterson isn't rough enough to beat Moore but I think Patterson will some day become the champion."

Milton Plum Rated Tops By His Penn State Coach

University Park—Milton Plum, who was the second choice of the Cleveland Browns in the pro football draft, is rated one of the game's top quarterbacks by his coach, Rip Engle.

"There were many good quarterbacks in the college game," Engle explained, "but few more versatile. This boy did absolutely everything a good quarterback should do. He was the most versatile back I ever coached." Engle coached at Brown before coming to Penn State in 1950.

As if to clinch his point, Engle said Plum can play offense or defense and do a superlative job. "It was an unusual day that he didn't intercept at least one enemy pass," Engle pointed out, "and no game passed without Plum making at least two or three key tackles in the open field."

His playing calling was called "out of this world," by Joe Paterno, who quarterbacked Engle's best team at Brown and who now is a member of the Lion staff. "His poise is exceptional for a college boy," Paterno said, "and I don't ever remember seeing him panic."

The statistics show he kicked an average of 39 yards on 33 punts; completed 40 of 75 pass attempts for 675 yards (an average of 9 yards per try) and 6 touchdowns, intercepted 7 enemy passes and returned them 72 yards; kicked field goals of 23 and 21 yards; boosted 15 or 17 extra points; and returned one kickoff 29 yards.

"What was there left for him to do?" Engle asked.

NO SHORT CUT
Sacramento, Calif., (P)—Glenn V. Carmichael, a traffic safety researcher at Northwestern University, told a safety conference recently it takes a minimum of 80 minutes to test driving ability.

Cotton Bowl Teams Will Be Selected At Dallas Saturday

Dallas, (P)—Four teams—Navy, Tennessee, Georgia Tech and Syracuse—will furnish the visiting team in the Cotton Bowl and the selection will be made Saturday.

President Bob Cullum said today that the field to provide Texas Christian's opponent in the Jan. 1 football game here had been narrowed to these and that Pittsburgh, which had been a contender, had been dropped because of a late game.

Pitt, with a 6-2-1 record, plays Miami Dec. 8 at Miami and that's too late for the Cotton Bowl to wait.

He would not indicate which of the four left in the running was the leading contender but, indicating that they all are being strongly considered, said communication lines would be established for a quick conference with all when games involving three of them were over.

Navy plays Army at Philadelphia Saturday while Tennessee clashes with Vanderbilt at Nashville and Georgia Tech plays Georgia at Athens, Ga. Syracuse has already finished the season with a 7-1 record, its only loss being 14-7 to Pittsburgh.

Powerful U. S. Olympic Team Boosts Score

By TED SMITS

Melbourne, (P)—Uncle Sam's powerful Olympic team boosted its gold medal total to 18 today with a sweep in the 110-meter hurdles behind surprising Lee Calhoun and Parry O'Brien's record shot put. But Russia's Vladimir Kouts matched Bobby Morrow's double by winning his second distance run.

Calhoun, a lanky North Carolina College student from Gary, Ind., whipped Jack Davis of Glendale, Calif., the world record holder, in a blanket finish. Joel Shandle of Durham, N. C., grabbed the bronze medal for third. It was so close both Calhoun and Davis were clocked in 13.5 seconds, beating Harrison Dillard's 1952 Olympic record of 13.7.

O'Brien did the expected by repeating his Helsinki triumph in the shot put.

The U. S. missed a potential sweep in the discus but the 1-2-3 finish in the hurdles was its fourth of the Olympics, duplicating America's efforts in the 200-meter, 400-meter hurdles and discus.

Russia enjoyed its greatest day with four gold medals for a total of 10 with Kouts' victory in the 5,000-meter, its first sweep in the 20-kilometer walk, Inessa Ioumzdrin's winning effort in the women's javelin and a come-from-behind success in the modern pentathlon team competition.

In the day's competition, Russia outscored the U. S. 64-44 but the unofficial point table still showed Uncle Sam out in front of Russia, 306-214.

Another capacity crowd of 100,000 thrilled to a second Australian gold medal in women's track when Shirley Strickland de la Hunty skinned over the 80-meter hurdles in 10.7 seconds, breaking the accepted world record to repeat her Helsinki victory of four years ago. The three American girls had been eliminated in the heats.

SPORTS IN BRIEF

By The Associated Press

Evanston, Ill.—Ara Parseghian, Northwestern University football coach, was given a new five-year contract.

Brooklyn — Pes Wee Reese, captain and shortstop of the Brooklyn Dodgers, became the first member of the National League champions to sign his 1957 contract for an estimated \$39,000.

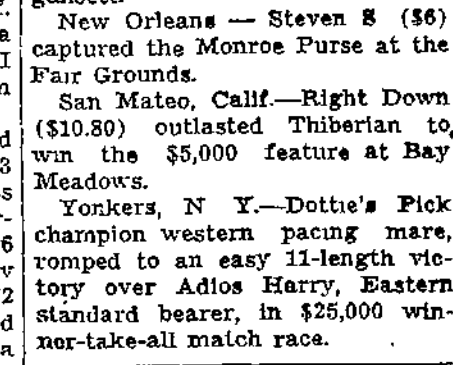

Baltimore—Paper Tiger (\$3,800) was declared the winner when Cedrus was disqualified in the feature at Pimlico.

Pawtucket, R. I.—Sandy Dandy (\$7,600) scored by head over Native Son in the top event at Narragansett.

New Orleans — Steven S (\$6) captured the Monroe Purse at the Fair Grounds.

San Mateo, Calif.—Right Down (\$10.80) outlasted Thiberian to win the \$5,000 feature at Bay Meadows.

Yonkers, N. Y.—Dotie's Pick champion western pacing mare, romped to an easy 11-length victory over Adios Harry, Eastern standard bearer, in \$25,000 winner-take-all match race.
